Gender Equity Cell Report of Briefing

Smt. Vaidehi Sharma Coordinator Gender Equity cell briefed a gathering of newly admitted students regarding the existence of Gender Equity cell in the institution whose objective is to create equality amongst genders in society. The Professor in charge highlighted about the facilities available for girl students in the campus, she also counselled the students that they could approach any of the staff members incase they feel unsafe in any way in the college campus. Dr. Asha Dewan spoke about the importance of developing communication skills and briefed the students about the various programs that would be conducted throughout the academic session for developing the personality of students especially girls. She also assured the students that they could approach any faculty members if they required any counselling.

Information regarding specific facilities for the women

Our Institution promotes gender equity and conducts sensitization programs for all. This is done with a view to create an equality of status for all genders in society. Gender sensitivity is an important issue that is addressed by a special cell called the Gender equity cell which is Headed by one of the senior most women faculty members. Various events and interactive talks are held from time to time to acquaint students about contemporary issues pertaining to women.

(a) Safety & Security

Our college campus is around 50 m away from the main road. It has an entrance and an exit. It is a double storied building with 2 staircases adjoining the front and rear of the building. Members of the discipline committee ensure the strictest discipline in the campus , students are supposed to wear their ID cards inside the college campus . Fire extinguishers are placed at different points for fire safety . Stringent Anti ragging and sexual harassment policies are implemented. Women's Harassment cell and Anti Ragging cell remain on constant vigil for any untoward incident.

(b) Counselling

Students are provided counseling by faculty members. Career guidance workshops and workshops on developing employability skills are conducted from time to time. Students are trained on communication / soft skills by faculty members.

(c) Common Room

There is a common room for the use of girl students. Certain essential facilities have been provided for .

(d) Day Care Centre for young children

There is no day care center for children presently in the college campus. however, proposals would be sent in the near future.

(e) Other Facilities

There is a student helpdesk in the college that is manned by 5 faculty members. The helpdesk provides constant help to any student requiring any help regarding online submission of admission, examination, scholarship or issues related to the University.
