1) Disabled friendly barrier free environment

Govt. Naveen College Bori, Dist. Durg (C.G.)

Disabled friendly barrier free environment

The Institution has two entrances with a pathway that encircles the two. The rear entrance is on a level ground that opens to the pathway leading outside and can be used with ease by anyone having physical disability. In the year 2016- 18 there was a student (Lucky Sahu) who had a congenital handicapped of “detached retina”. The arts classes in which he was a student of were in the ground floor as a precautionary measure to stall any mishap.

The provision of amanuensis during the university examinations is extended to anyone who applies anyone citing reasons for the necessity of a scribe for any inability to write the examinations. The passages are clutter free to provide free access to the classrooms.

The Institution has year marked an area for the construction of a disabled friendly washroom which will be constructed on priority once resources are made available for it.

Display boards and sign posts are assistive in locating the facilities available in the institution. A wheel chair at the entry is available for anyone requiring assistance. The Helpdesk at the entry of the institution serves as an assistance point for anyone requiring any help.
